Summary

- My Bachelor of Engineering in Computer Sciences journey till now includes Learning programming languages like PYTHON, JAVA, CPP, and have also learned web development.
- I know DBMS and cyber security too.
- As an extremely passionate person. I am also familiar with WordPress, SEO, video editing, graphic design and also am a freelancer.
- I am a conscientious person organized with a growth mindset. I have interned in a tech startup named "Wanna Bae" as a Technical Assistant and am always passionate about opportunities like these which add some value to me.

Experience

Organising executive

The Institution of Engineers India Punjab and Chandigarh State Centre

Oct 2021 - Present (10 months +)

Technical Assistant

Wannabae

Jan 2021 - Mar 2021 (3 months)

3 months internship as a Technical Assistant in WannaBae dating startup (a product of PAGE-IT company). From Technical Assistant to on-ground marketing and social media promotions, took a lot of exposure to start-up culture from this internship and even got shortlisted for stipend among many interns. Thanks to the WannaBae team.
